The #Census has resumed delivery of response packets in areas that do not receive mail directly to their home. Respond using your Census ID number to complete your #2020Census form online at [2020census.gov](https://2020census.gov), by phone or by mail. If you responded without your Census ID, we may not be able to match your response with where you live and may result in the need to visit you in person to collect your data.
